SPLIT is a Section of

The  
**Transplantation**  
Society

The Society of Pediatric Liver Transplantation (SPLIT) is a unique multidisciplinary, multicenter consortium focused on optimizing outcomes in pediatric liver transplantation through research, advocacy, and dissemination of best practice in this field. SPLIT is the only such academic body dedicated to pediatric liver transplantation.

#### **The Annual Meeting:**

Participants include **hepatologists, transplant surgeons, anesthesiologists, infectious diseases physicians, intensivists, pediatricians, pediatric surgeons, as well as nursing and allied health professionals**

- Attracts participants from over 40 national and international pediatric liver transplant centers
- Previous meeting host centers include: Children's Hospital of Los Angeles, Children's Hospital of Pittsburgh, Texas Children's Hospital and Baylor College of Medicine, and MedStar Georgetown University Hospital
- Program highlights include knowledge transfer of current findings in the field of pediatric liver transplantation and incorporating these findings into own practice.

#### **Our Supporters**

To our long-standing partners, we appreciate your ongoing support of our Society's meeting which provides unique networking opportunities, as well as advances the field of pediatric liver transplantation.

To new and prospective partners, we invite you to learn more about SPLIT, our leadership team and what makes our meeting exceptional. SPLIT 2026 in San Francisco, CA will provide new and exciting opportunities and outreach options.
